Reservations are recommended and may be made by notifying Actors Theatre Associates (362-8321).

Fires Costly

NEW DELHI (AP) — Fires in India kill 1,500 persons, 10,000 head of cattle and destroy property worth rupees 310 million (\$41.3 million U.S.) every year, according to official statistics.

Here's Proposed Tax Savings For Individuals

WASHINGTON — The following table compares federal income taxes now paid and those that would apply under the tax reform bill approved by the Senate Finance Committee, when it is fully effective. The income tax surcharge is not included.

Married couple with two children:

Income	Present Tax	Proposed Tax
\$3,000	0	0
3,500	70	0
4,000	140	65
5,000	290	200
7,500	687	576
10,000	1,114	958
12,500	1,567	1,347
15,000	2,062	1,846
17,500	2,598	2,393
20,000	3,160	2,968
25,000	4,412	4,170

Single person:

Income	Present Tax	Proposed Tax
\$900	0	0
1,100	36	0
1,700	115	0
3,000	329	180
4,000	500	344
5,000	671	524
7,500	1,168	1,005
10,000	1,742	1,468
12,500	2,398	1,977
15,000	3,154	2,602
17,500	3,999	3,320
20,000	4,918	4,098
25,000	6,982	5,835

NOTE: The House-passed bill and the one approved by the Senate committee are identical in their effort on families. They would treat single persons differently. The House bill would provide more relief for single persons 35 or older, widows and widowers, less for single persons under 35.

MSU Activities 'Show Of Victory'

By PAT MOYNAHAN
Sun-Democrat Staff Writer
MURRAY, Ky. — Homecoming activities at Murray State University Saturday took on an Academy Award atmosphere.

Centered around the theme, "A Show of Victory," the traditional parade which began the day's activities, featured floats and displays depicting award-winning movie titles, the top high school marching bands in the area, college queens and sweethearts, and a riderless stallion with shiny black boots turned backwards in the stirrups.

The riderless horse and the float that preceded it added a note of sadness to the parade. The float, constructed by the Veteran's Club, read, "Fats Everett Had True Grit."

The stallion and float were a tribute to the late Congressman Robert A. (Fats) Everett of Tennessee, a familiar face at every MSU homecoming in the past. An avid football fan and dynamic alumnus, Congressman Everett was simply a part of every homecoming like parades and floats and marching bands.

The dramatic display of affection and admiration for "Murray's No. 1 Alumnus" brought a moment of silence and reverence to an otherwise excited, boisterous crowd.

Another feature of the parade was the appearance of Miss Kentucky who spent the day as the guest of Alpha Delta Pi Sorority. She is a member of Alpha Delta Pi at Eastern Kentucky University, Murray's homecoming opponent.

The winning float in the Greek division was entitled "Chitty, Chitty, Bang, Bang," and depicted the celebrated bang bang auto crushing an opponent. The float was a joint project of Sigma Sigma Sigma Sorority and

Lambda Chi Alpha Fraternity. The second place award went to Pi Kappa Alpha Fraternity's interpretation of "Cleopatra." A third imaginative float was an enormous and elaborate "showboat," created by Alpha Sigma Alpha Sorority and Sigma Phi Epsilon Fraternity.

The non-Greek division was won by the ROTC Scabbard and Blade with a kaleidoscopic rendering with the suggestion "Send ECU on a trip." The Industrial Education Club placed second.

Alpha Tau Omega won the Greek division for displays with "Guess Who's Coming To Dinner?" It showed the Racers going to dinner on "EKU under glass." The non-Greek division was won by Hester Hall, a women's dormitory, who created a giant telephone called "Dial M For Murder." Hart Hall was second.

Led by a thoroughbred gelding, the parade included 80 entries, and a dozen top-notch high school bands who lit up the dark, cloudy day with their glittering majorettes and colorful uniforms. Owensboro Senior High School won first place in the band competition. Mayfield High School was second.

Other highlights of the parade included the Sigma Chi covered wagon, pre-school cyclists of the Kenlake Cycle club, the Calloway County Shriners clowns, and a vehicle playing soul music and carrying a "Black Homecoming Queen."

Judges for the parade were Mrs. Robert Cherry, Paducah, Mrs. John Underwood, Paris, Tenn., and Charles Reams, Fulton.

Another touch of beauty was added to the somber day with the crowning of the Homecoming Queen, Miss Carol Anderson, Paducah, and the presentation of her court. Dr. Harry Sparks, president of Murray State,

JAYCEE LEADER — Bob Neal (on plane's wing) of Memphis, president of the Tennessee Jaycees, made 12 flying stops in West Tennessee last week, including Union City, for official visitations and the swearing in of new members. He was met

Friday at Everett-Stewart Airport by (left to right) Charles Griffin, president of the Martin club; Bob Stephens of Union City, state vice president, and (right) Verne Brooks, president of the Union City Jaycees.

programs include: the sale of the tickets for the Obion County Fair, club, was chairman of one of Hurricane Camille relief, which the Jaycees' Obion County Fair netted \$852 and a ton of food projects, was co-chairman of the and clothing and the Babe Ruth baseball program. The groups also sponsored an Operation Youth program which encouraged employers to hire students during the summer months. During a Meet the Candidates' night, the clubs heard from all candidates running for Obion County political offices.

Aside from these programs the Jaycees had another project, which is still under way. The club has obtained the names of 50 or more Obion Countians serving in Vietnam and is mailing each a package for Christmas.

President of the Jaycees is Verne Brooks while Mrs. Mackie Cutler heads the Jayettes.

Region Honors Won By Jaycees Again

Union City's active Jaycee and Jayette organizations took dead aim on regional honors Saturday night during the quarterly regional meeting in Dyersburg and captured dual Club of the Quarter honors.

Meantime, Larry Mims, named the outstanding freshman member of the year last year, was named Jaycee of the Quarter.

For the Jaycees, it was the 10th straight time the local club has captured the regional club of the Quarter honor and this past honor came during what is considered a slack period.

The club is preparing to launch its annual Chimes for Charity program soon which has in the past netted the club not only regional and state honors but

national honors as well.

Heading up the Chimes program this year will be Mr. Mims.

The Jaycees and Jayettes took honors in the regional meeting for joint programs which they had worked on. Some of these

Miss Rehnberg Is Bride Of Dr. Clapp

CLINTON, Ky. — Miss Karen Jean Rehnberg, daughter of Mr. and Mrs. Kenneth Rehnberg of St. Paul, Minn., and Dr. Thomas Wright Clapp, son of Mr. and Mrs. Hampton Clapp of Clinton, were united in marriage in a late summer wedding in St. Michaels Lutheran Church in St. Paul.

Miss Susan Rehnberg served as her sister's maid of honor and Miss Lu Rae Hefron of St. Paul was bridesmaid. Lori Rehnberg, cousin of the bride, was the flower girl.

The best man was Thomas Rehnberg, brother of the bride and the groomsmen were Tim Lundahl of Wilmar, Minn. Ushers were Dr. Peck and Dr. Lindstrom of the faculty of St. Cloud State College, St. Cloud, Minn.

After a honeymoon to Glacier National Park, Montana, the bride and groom are at home in St. Cloud where he is a professor of biology at St. Cloud College and she is completing her senior year.

Mr. Rochelle Quits Post

J.H. 'Jack' Rochelle, superintendent of the Union City School System for four years until being succeeded July 1 by T.F. 'Coach' Wallace, today asked that his contract with the school system be terminated effective Dec. 31, 1969.

Since the election of Superintendent Wallace by the Board of Education, Mr. Rochelle has remained attached to the superintendent's office, working with federal projects and generally assisting Superintendent Wallace.

Mr. Rochelle said he plans to join the University of Tennessee at Martin as an assistant professor in the College of Education. He will be assigned to Student Teaching supervision, he added.

"The new situation (at UTM) will present a different challenge toward which I have studied and aspired for some years," Mr. Rochelle said in his letter of resignation.

"I have enjoyed my association with the Union City School System during the past four and one-half years, which might be considered the most unique and changing years yet known to American education in general and to the Union City School System in particular," the letter continued.

"I feel that the Union City schools are now more nearly meeting the needs of all the children of all the people than ever before, this being the foremost goal of our public school system," the letter continued.

"Not all children are being taught on their particular level of ability and interest as yet.

Casket Stolen

HOLLYWOOD — Needing a lift home from his job at a movie studio, Tim Taola, 25, borrowed a hearse containing a casket from his company.

When he awoke Wednesday, the casket was missing from the hearse.

Searchers found it undamaged in an alley a half-block away.

Brazil Origin Of Pineapple?

HONOLULU—It is not known where the pineapple originated or how it was brought to Hawaii, but planters believe it was first grown in Brazil. It was in Brazil that the pineapple was first described as the "king of fruits."

Brazilian historian Sebastiao do Rocha Pitta reported in the first half of the 18th century: "Of cultivated crops (in Brazil) there is an endless number, and the first of these is the pineapple, which, as the king of them all, nature has crowned with a diadem of its own leaves. The latter surround it with thorns and guard it like archers."

PRESS STOPS FOR WEDDING—Members of The Messenger staff gather around the press today as the Rev. David Bartholomew (center) unites in marriage Miss Joyce Day Allen and Jerry Brasure (hands clasped). Other members of the wedding party included Terry Siglow (left), and (at right) his wife, sister of the bride, and the bride's mother, Mrs. Lucine Allen.

Agents Seize Wedding Ceremony Game Devices Stops The Press

By BILL KING
"Stop the press" was the cry years ago when "scoops" were a regular part of newspaper reporting but today was the first time it's happened here in many years—and perhaps the only time it's happened for this particular purpose.

At 10:30 this morning, The Messenger press was turning out for the wedding ceremony of Miss Joyce Day Allen and Jerry Brasure at the Methodist Church in Union City, Tenn. The wedding party included Terry Siglow (left), and (at right) his wife, sister of the bride, and the bride's mother, Mrs. Lucine Allen.

Gov. Ellington Backing Walking Horse Measure

NASHVILLE, Tenn. — Gov. Buford Ellington is backing a proposed law to set up a seven-man commission to control the horse show industry—states that do not have a law as strong as this one.

The proposal is aimed at the controversial practice of "soring" horses by using chemicals or other irritants on their ankles or feet to make them flinch or to make them flinch.

A similar federal law is sponsored by Sen. Joseph Tydings, D-Md., in Washington. But the Tennessee Walking Horse National Celebration at Shelbyville, which Tydings has called the "world series" of horse shows, has asked a bit more time to give states a

chance to step in. The commission would have general supervision over the horse industry and would license, for an undetermined fee, any person "desiring to train, ride, judge, act as steward or conduct a horse show."

Anyone conducting a horse show would need a license and the state commission would have power to establish "rules, regulations, conditions and standards" for obtaining a license. The law would make one individual responsible for the event, including reporting to the commission "all known violators of the law."

Anyone involved in "soring" a horse would be subject on conviction to heavy fines, imprisonment or both.

"If the law is going to be a sham and a coverup, or controlled by anyone," Ellington told a newsman, "count me out—and let the federal government intervene in Tennessee, too."

Other commission members would include a member of the Tennessee Walking Horse Breeders Association of America.

Baker Would Abolish Draft System

KNOXVILLE — Sen. Howard Baker Jr., R-Tenn., says he is considering introducing legislation to abolish the entire draft system.

"I have mixed emotions about the draft system," Baker told members of a Knoxville civic club Wednesday. "but I'm inclined to favor a proposal of repealing all draft laws. I'm not talking about reform of draft laws."

The Tennessee lawmaker said he was unsure about whether the abolition of all draft laws would result in a "mercenary army; an all-volunteer army; or an all-reserve, National Guard-type army."

Oakers Edge Fulton 7-6 In Finale

The Lone Oak Purple Flash closed its first season of varsity football competition with 7-6 victory over the Fulton Bulldogs at Brooks Stadium Friday night.

The big play for Lone Oak was a 77-yard dash for a touchdown by sophomore halfback Andy Carfield. The extra-point which proved to be the winning margin for the Oakers was bootied by sophomore tackle Chuck Cavanaugh.

The Flash defense, playing by far its best game of the year, held the defending Class A First District champions scoreless until midway through the final quarter when the Bulldogs scored on an 18-yard run by Kim Homra.

The defense of Coach Charlie Akers rose to the occasion, however, to thwart a running attempt for a winning conversion.

Lone Oak finished the season with a 2-6 record, while Fulton takes a 4-5 slate into its final game of the season, a home contest with strong Trigg County next Friday.

Score summary:
Fulton..... 0 0 0 0
Lone Oak..... 0 7 0 0
Lone Oak—Carfield, 77 run, Cavanaugh kick.
Fulton—Homra, 18 run, run called.

Bondurant Ends 41 Years With Extension Service

MURRAY, Ky.

Charles O. Bondurant retired today after more than 41 years of continuous employment with the University of Kentucky Cooperative Extension Service.

He had served in the Purchase and Penyrile areas since 1939.

Bondurant did extensive work in the counties which were most affected by the flooding from Kentucky Lake, aiding in educational work in relocation, readjustments and land use. From July, 1939, until January, 1948, he worked out of Murray under an agreement between UK and the Tennessee Valley Authority.

In 1948, he became the associate county agent in farm management in seven counties, with headquarters in Murray. His title later was changed to area extension farm management specialist.

During the 20 years he has been farm management specialist in the area, Bondurant has done a great deal of work with the Test Demonstration Farms Program, demonstrating new and more rapid methods for farmers.

This work has brought him many awards and honors. In 1965, he was honored at the National County Agents' Association golden anniversary meeting for his work and leadership in the rapid adjustment of farmers.

A native of Marshall County, Bondurant attended Murray State University and UK. He earned a master's degree in agricultural economics from UK.

C. O. BONDURANT

miscue at the Central 10. Passes from Sam Pryor to Sam McCollum and runs by Joe Dale Killion and George Duncan moved the ball to a fourth and three situation at the Central 48. Duncan got the yardage and one play later Greg Hamilton went off tackle and got loose to the outside for the rest of the distance. Central elected to go for the win instead of the tie but a pass try for two points failed. It was 7-6 South Fulton with 5:30 remaining in the game.

The Devils took the kick but found a no-go situation and punted. Central moved to a fourth and two situation at the South Fulton 45 with 0:52 remaining in the game.

Duncan found a hole and burst through to the Devil 25. From there, a Pryor pass fell incomplete, a second pass to Duncan made it first and 10 at the 11 and then a Pryor to McCollum aerial was good just across the goal line on the right side for the marker, Mikey Freeman converted. It was 13-7.

The Rebs kicked off with 21 seconds remaining and an on-side kick resulted in the Devils setting up shop on their own 45. Three passes fell incomplete and on the final play McCollum broke through to spill the quarterback for a large loss.

McCullum and McCutcheon had to be the Rebel stars. McCutcheon was in on almost every tackle while recovering a fumble and harassing the Devil backfield all evening. McCollum caught the clincher, had several other receptions and was tough on defense. Joe Dale Killion looked his best of the year plowing through the line while Tommy Jenkins did his usual exceptional job of hustling downfield and throwing some key blocks.

For the Devils, it was Bodker, the little do-it-all tailback, who was most impressive. On top of being a tough runner, he catches passes, blocks well, returns punts, kicks off, returns kickoffs, kicks extra points and plays a heck of a game at defensive safety.

Other South Fulton players showing exceptional efforts were Jackson, end Johnny McGuire, who had some tremendous punts, and defensive end Major Martin. Winston showed a lot of poise for a freshman.

South Fulton field general Bob Winston, a fine freshman, used all three of his backs, Darrell Williams, Tommy Bodker and Ralph Jackson to move the ball in.

Jackson plunged over from the one-yard line for the score with 6:50 remaining in the half. Bodker kicked the point for a 7-0 lead that would stand until the final frame.

The teams slipped back and forth largely inside the 30-yard lines the entire third period, swapping punts. Central had one drive that was cut short by a pass interception while the Devils had Bodker get loose for 45 yards and a touchdown which was called back due to a clipping penalty.

The teams moved into the final frame with the 7-0 score looming larger by the minute. The period opened with the Devils driving behind Jackson and Bodker.

South Fulton moved to the Rebel 16 with three minutes gone in the period before John Mack Long covered a Devil

WASHINGTON — The federal Department of Health, Education and Welfare has made a series of job training grants for programs in five Kentucky cities.

The Hopkinsville extension of the Madisonville Area Vocational School will receive \$62,238 for a 52-week training program for 20 licensed practical nurses.

Hazard area schools got \$50,311 for 35-week courses for 18 welders and \$69,402 for 40 weeks training for 36 mine maintenance machinists.

The state Department of Education was awarded \$75,950 for 24 weeks training for 24 licensed practical nurses and \$42,893 for 34 weeks training for 20 clerical stenographers at Maysville.

The department also received \$41,813 to train 18 welders for 34 weeks at Owensboro.

But how, Holt was asked? And he declared, to begin with, through greater usage of automobiles in coming years and through enforced earlier replacement of worn tires. Good-

He is a deacon at the First Baptist Church of Murray. He is a member and past president of the Murray Rotary Club.

With his wife, the former Lucille Houser of Marshall County, he resides at 1104 S. Fairlane in Circarama, Murray. They have two children, Dr. James H. Bondurant, Los Angeles, Calif., and Mrs. Wayne Brown, Lansing, Mich. They have three grandsons, David and Alan Brown and George Timothy Bondurant.

Dr. Charles E. Barnhart, dean of the school of agriculture at UK, said in a letter to Bondurant. "I always hate to see a productive and distinguished career such as yours draw to a close. We are all deeply appreciative of the most significant contributions you have made to our extension program over the many years. We shall always remember you for your dedication to the furtherance of agriculture and the programs of this college."

Bondurant is a licensed realtor and has had special training in rural appraising. He plans to devote his time to this work and a limited amount of income tax work in cooperation with T. Rafe Jones in their office at 100 1/2 N. 4th St., Murray.

Goodyear Tire Too Strong?

EDITOR'S NOTE— The following story, written by Associated Press business analyst John Cunniff, discusses the effect that Goodyear Tire and Rubber Company's new "Polyglas" tire will have on its parent company's business future and on the future of other tire manufacturers. The Polyglas passenger car tire is manufactured at the Union City Goodyear facility which soon is expected to be one of the largest Goodyear plants engaged in its manufacture.

By JOHN CUNNIFF
AP Business Analyst
What would you think of a company that, for competitive reasons, came out with a product that would last twice as long, thus apparently shrinking its market, reducing revenues and cutting into profits?

At first glance, at least, you might be inclined to think the company's officers had the marketing sense of a child selling homemade lemonade.

The company involved, however, does not run a lemonade stand. It is a behemoth of American industry, with sales last year of nearly \$3 billion. And it feels the critics are the ones without understanding.

This is the situation. In 1967 the Goodyear Tire & Rubber Co. decided to market what is called a bias-belted tire, a phrase that cannot be explained without backtracking a bit.

Throughout the 1960s the accepted tire was a so-called two-ply product. Ply means the cord—rayon, nylon or polyester. Two of these cords were wound diagonally in an X pattern to give strength, and then the rubber was added.

In 1967 Goodyear decided to market an improvement on this tire. On top of the plies, and under the rubber tread, there is now a woven fiberglass belt. That explains the "belt" part of the phrase.

"Bias" simply refers to the diagonally wound plies beneath the belt. If you look up the definition of bias in the dictionary you will find it means, "a line diagonal to the grain of a fabric..." Therefore, bias-belt.

Now this much stronger tire, customers were told, would provide twice the mileage for a much smaller increase in price. This led to the assumption by critics that the tires would last twice as long, cutting the market in half.

Goodyear, at least, did not think so, because it embarked on a \$20-million advertising campaign. Its promotional efforts were successful, and this year Detroit accepted its Polyglas tire as standard equipment on new vehicles.

The critics, however, haven't been silenced. Among their number are Wall Street securities analysts who maintain that the Polyglas tires are going to cut sharply into Goodyear's replacement tire business—and profits.

Talk like that can be damaging, especially to a corporation's stock. Goodyear executives, like those of most companies, like to see the stock rising, if only to keep the stockholders off their backs.

And so, Victor Holt Jr., Goodyear president, has come up with some estimates to show his company has retained its sense, intends to retain its market leadership, and intends to profit greatly from its new tire.

But how, Holt was asked? And he declared, to begin with, through greater usage of automobiles in coming years and through enforced earlier replacement of worn tires. Good-

year expects legislation soon to enforce tire replacement. In addition, he maintains, the effects of higher horsepower and increased use of power brakes and power steering will result in a 34 per cent increase in the rate at which all tires will wear.

In other words, those new tires will give you twice the mileage of tires that were popular earlier in the 1960s. But all tires are going to take more of a beating in years to come.

FEDERAL LAND BANK ASSOCIATION

302 North 7th Phone 247-3650
MAYFIELD, KY.

S. C. Hamlett, Manager - Land Bank Loans Are First Choice With Successful Farmers

For more than fifty years farm families have known that the best way to borrow for long term farm purposes is through the farmer-owned Land Bank system.

In county after county, state after state, many successful farmers and ranchers have looked to the Land Bank for a firm financial foundation for farming.

In the past years, the farmer members throughout these counties have seen their Federal Land Bank Association grow in service and building financial strength through the accumulated earnings and the investments of its members who are the farmers, themselves. Farmers, both as member stockholders and board of directors, operate the local association. Farmers have found that the credit service of this organization is filling a definite need in the financing of their farm programs and operations.

Because of its sound and conservative management and due to the fact that it is totally farmer-owned, the Federal Land Bank Association is able to offer a sound and constructive credit service to farmers in the territory which it serves.

CRUNCHY CREAM Doughnut Shop

219 West Broadway Phone 247-9164
MAYFIELD, KY.

William Seaford, Owner & Operator - Doughnuts - Wholesale & Retail - Special Attention to School - Church - Civic Club Orders. - Any Amount -

We stopped in recently at Crunchy Cream Doughnut Shop to get a cup of coffee and to sample the delicious Crunchy Cream Doughnuts. It is a "bee-hive" of activity and one of the cleanest places it has been our experience to visit. We found it fascinating to watch the sanitary preparation and cooking of the very fine Crunchy Cream Doughnuts, and even more enjoyable to sample them.

Mr. William Seaford owns and operates his own shop and he has spared neither time nor expense in installing modern and sanitary equipment for the production of their fine Doughnuts. Only the best and the freshest of ingredients are used and every care is exerted to see that you get a product that is delicious and nutritious at the same time. They don't claim to have "mother's magic touch," but they are producing the finest Doughnuts and apparently, judging from the tremendous demand for them, they must be nearly as good as mother used to make.

They are fine to serve for a party, for any group, and you can buy them in several different kinds by the dozen to take home. Special prices to schools, churches and civic groups. Stop in the next time you are in Mayfield. They are located on 219 West Broadway. Schools are invited to phone for prices and information on these doughnuts to sell at games and sports events. Phone ahead and your orders will be ready for you.
